Dear HHS Community,

The faculty and staff of Huntingtown High School are proud to be a part of MSDÉ's Positive Behavioral Intervention and Support (PBIS) program. Our students routinely exhibit positive behaviors both in and out of school, and deserve to be rewarded for choosing to be good citizens, setting high achievement goals, and coming to school each day prepared to learn. As part of the PBIS program, HHS staff rewards students who practice these "CANE" traits: Citizenship, Achievement, No excuses, and Enthusiasm for learning.

We have several programs in place to reward students for positive behaviors:

- 1) CANE Cash: HHS staff provide CANE Cash to students who exhibit CANE traits. Students can exchange their CANE cash for a small treat/reward at our "Goodie Table" once a month.*
- 2) "Students of the Month": Once a month each academic department selects a student who embodies the CANE spirit.*
- 3) Positive Referrals: HHS staff select students who they feel deserve extra recognition for their display of CANE traits.*
- 4) Pizza Party: Four students (one from each grade level) are randomly selected each month to receive a large pizza and soda to share with their friends.*

The PBIS team needs donations to sustain this important program. Donations of small denomination gift cards, passes to community events, apparel, pre-packaged food, cash, etc. are greatly appreciated and will go a long way to help us continue to nurture these positive characteristics in our students. Thank you for your time and support. If you have any questions, please contact Abbe Gray, PBIS administrator at graya@calvertnet.k12.md.us.

Sincerely,

HHS PBIS team
