Dear Huntingtown High School Community,

The faculty and staff of Huntingtown High School are proud to be a part of MSDE's Positive Behavioral Interventions and Supports (PBIS) program. Our students routinely exhibit positive behaviors both in and out of school and deserve to be rewarded for choosing to be good citizens, setting high achievement goals, and coming to school each day prepared to learn. As part of the PBIS program, HHS staff rewards students who practice these "CANE" traits: **C**itizenship, **A**chievement, **N**o excuses, and **E**nthusiasm for learning.

We have several programs in place to reward students for positive behaviors:

1. CANE Cash Goodie Table: HHS staff provide CANE Cash to students who exhibit CANE traits. Students can exchange their CANE Cash for a small treat at our "Goodie Table" once a month.
2. CANE Cash Drawings: HHS staff provide CANE Cash to students who exhibit CANE traits. Students can enter their CANE Cash in to be drawn for prizes like gift cards, school spirit wear, and tickets to school athletic and social events.
3. Students of the Month: Once a month each academic department selects a student who embodies the CANE spirit.
4. Positive Referrals: HHS staff select students who they feel deserve extra recognition for their display of CANE traits and refer these students to their grade-level administrator for a brief conference and some CANE Cash, phone call home, and/or positive note sent home.

The PBIS team needs donations to sustain this important program. Donations of small denomination gift cards and cash amounts are greatly appreciated and will go a long way to help us continue to nurture these positive characteristics in our students.

Thank you for your time and support. If you have any questions, please contact assistant principal and PBIS administrator Loren Grimes at grimesl@calvertnet.k12.md.us or (443)550-8810.

Sincerely,

HHS PBIS Team
