

The Huntingtown High School LAMP

(Leading-Advocating-Mentoring-Partnership)

“Lighting the Path through Life’s Storms”

The mission of the Huntingtown High School (HHS) LAMP program is to promote and sustain positive mentoring relationships between select HHS students and caring, supportive mentors, from both the school and community. Our program's goals are to advance the students' (mentees') grades, behavior, and attendance through caring support so that high school may be an enjoyable and productive experience.
