

# AP Studio Drawing

## Summer Assignment – Hands

### Background research

Look at the technical quality in the way the following artists depicted hands: Leonardo da Vinci; Michelangelo Buonarroti; Salvador Dali; Kathe Kollwitz, and; M.C. Escher. Save at least 10 images to a word document and print it out. Write a reflection on your observation of each artists' depiction of hands.

**Process grade**

\_\_\_\_\_/10 points

### Sketchbook activity

Students will masterly draw their hands, or those of others, in various positions using modified contour line. A total of 5 varied hand position need to be drawn.

**Process grade**

\_\_\_\_\_/50 points

### Final Hand Drawing

Students will reference their hand drawings in order to complete their final piece of work. The final piece will be used for the breadth section of the portfolio. The drawing should show the following:

- Understanding of composition, concept and execution showing decision making and intention
  - Use of at least 3 different hand positions showing a composition that indicates the students applying the principles of design.
- Originality, imagination and invention showing the student's "voice" and is a confident, evocative work that engages the viewer Verve of the piece – Think awesomeness
- Technical competence and skill with drawing material ( use of pencil, charcoal, or ink)
