 - Purchase an AMSCO review book online 4th addition by July 31, 2020
 - Complete the graphic organizers and hand in on September 1, 2020.

- There has been a change since the APUSH Parent night in February. The Bayside History Museum visit will not be required this year.
- Normally the summer assignment would be to visit The Chesapeake Railway Museum and the Bayside History Museum in North Beach; however, it will not be required this year due to The Chesapeake Railway Museum is closed for renovation and the uncertainty of the Corona Virus; however, if you have an opportunity to visit and it is safe, I suggest a visit to the Bayside History Museum in North Beach. It is a wonderful museum for local history that will help the students with background knowledge for APUSH. Unfortunately, everyone may not have an opportunity this summer to visit the museum, so extra credit cannot be given for the visit.
